CENTRAL CHECKS & STRIPES FABRICS

**HIGHLY VERSATILE AND EFFORTLESSLY COORDINATED:
SCION'S CENTRAL CHECKS AND STRIPES IS THE GO-TO
FOUNDATION OF AN INTERIOR DECORATOR'S TOOLKIT.**

Bringing together 20 striped and checked fabrics, the collection is imagined in a confident colourline designed to work cohesively across the entire Scion portfolio. Timeless yet full of character, these hardworking designs form the building blocks of interior schemes – perfect for mixing, matching, and layering with ease.

Both checks and stripes are scaled up for a more contemporary feel, with carefully matched proportions to maximise coordination and creative flexibility. Whether used as a subtle backdrop or bold feature, each design is intended to work neatly alongside the next.

Crafted from 100% cotton, the fabrics are woven for both drapery and upholstery applications with a Martindale rating of 50,000.

“We think of this collection as a toolkit for interior designers. Checks and stripes often fill the role of – helping to introduce colour or ground a scheme. They can also be used much more boldly, from a simple accent like a cushion to a fully immersive space, wrapping an entire room and upholstering key pieces for maximum impact. It's this versatility that makes the collection so easy to work with.”

Claire Greenfield, Lead Designer.

ALL DESIGNS ARE CREATED IN THE SCION STUDIO IN THE UK.
